

HSM StoreEx HDS 230 - 11.5 x 26 mm

HSM StoreEx HDS 230 digital data media shredder (dual stage)

Secure, data policy compliant and economical. This digital data media shredder shreds digital data carriers into tiny particles and makes data recreation virtually impossible.

Product information

The high quality materials used together with HSM's proven "Made in Germany" high manufacturing standard ensure that the product is both safe and durable for the user.

The induction-hardened, solid steel cutting rollers are robust and ensure a high level of durability!

To enable you to shred documents in a continuous operation mode, the shredder has a powerful motor. This gives not only reliable continuous operation, but also a high level of shredding capacity.

The automatic reverse function in the shredder eliminates material jams and ensures your shredding operations run smoothly.
